**Focus in Reading** is: Rigor through use of complex texts/ Evidence based answers, questioning at various levels (DOK) and student voice (peer to peer interaction).

**Focus in Math is:** Attend to precision (Mathematically proficient students try to communicate precisely to others. They try to use clear definitions in discussion with others and in their own reasoning. They state the meaning of the symbols they choose, including using the equal sign consistently and appropriately. They are careful about specifying units of measure, and labeling axes to clarify the correspondence with quantities in a problem. They calculate accurately and efficiently, express numerical answers with a degree of precision appropriate for the problem context. In the elementary grades, students give carefully formulated explanations to each other. By the time they reach high school they have learned to examine claims and make explicit use of definitions.

**Congratulations:** To the whole Pre-K Team for receiving the NAYEC accreditation

**Transition week:** Transition week is scheduled for the last week of school (June 16-17). As we did last year, students will experience the “next level over the course of two days”.

**End of the year Teachscape:** Please make sure to fill out your end of the year self-assessment and your SLO evidence reflection form. Hopefully the error occurring for Track 1 staff will be resolved soon.

**Nurse visits:** Please make sure to send only one child at a time to the nurse unless of course it is an emergency.
